## Athletic Report

Madison was very proud of her Basketball Team. Although she was very unfortunate in having two of her best players declared ineligible and dropped from the main team two weeks before the spring tournament. These players were Volney Oldham and Lee Pierson.

Madison Bobcats made a very creditable showing, however. She lost only two games. One of these being the final game in the tournament which ended the boys' dream of a trip to Moscow.

Holley Carlson won the honor of being placed on the All Star Team of the Southern Division and Ralph Jensen and George Wood on the second team. Ralph Jensen was high point man in Idaho making more points than any other player.

The success of the Bobcats is largely due to Mr. Sellars' splendid coaching. He certainly trained his players until M. H. S. is proud of them.

Our basketball scores were as follows:

Madison	14	.....	Teton	3	Madison	26	.....	Center	18
Madison	17	.....	Teton	5	Madison	20	.....	Midway	19
Madison	47	.....	Midway	30	Madison	29	.....	Idaho Falls	28
Madison	30	.....	Idaho Falls	13	Madison	28	.....	Ammon	23
Madison	13	.....	Center	22	Madison	21	.....	Ammon	19
Madison	24	.....	Center	22	Madison	22	.....	Teton City	21
Madison	60	.....	Sugar City	32	Madison	25	.....	Center	17

## “Smilin’ Through”

This report was taken from the Rexburg Standard, February 3rd.

The Madison High School made a big hit with the people of the county last Monday night when a cast from the Student Body so successfully and completely captured the audience in the presentation of “Smilin’ Through.”

Every seat in the High School Auditorium was filled and many remained standing during the production. More than 500 people witnessed the big play. The audience showed its appreciation by the tense and sympathetic atmosphere and general hearty applause.

The audience was so enthusiastic about the success of the play that the general favorable comment occupied the public mind for a number of days after the production.

The play was full of beauty, emotional thrills and good acting. Praise be to Miss Geneva Langlois and the members of the entire cast who worked so hard to give the people of Madison County a finished production equal to that of professionals.

The play was even more successfully played in Rigby a few weeks later.

Enough money was cleared on “Smilin’ Through” to pay for the curtains for the stage of the High School Auditorium.

## "Pickles"

The operetta "Pickles" was presented February 28th in the Madison High School Auditorium. The operetta was one of the most successful events of the season. The charming voices of the leading characters, together with the volume of the chorus and color of the costumes, made it a long-to-be remembered musical hit.

The success of the operetta is due to the diligent coaching of Mr. T. Leo Jacobs, combined with the constant effort of the students taking part.

Those assisting Mr. Jacobs were: Dancing Director—Mrs. Tanner; Chorus Group Directors and Staging—Hester Warner and Delsa Jacobs; Pianist—Mrs. Rice assisted by the members of the orchestra; Costuming—Mary Parkinson and Mary Hunt; Lighting—C. D. Cooper, Leland Westover and Spencer Ovard; Advertising—Tillie Anderegg, Maxine Adams and Francis Wright.

## Declamation

FRANCIS PIERSON  
Declamation Winner

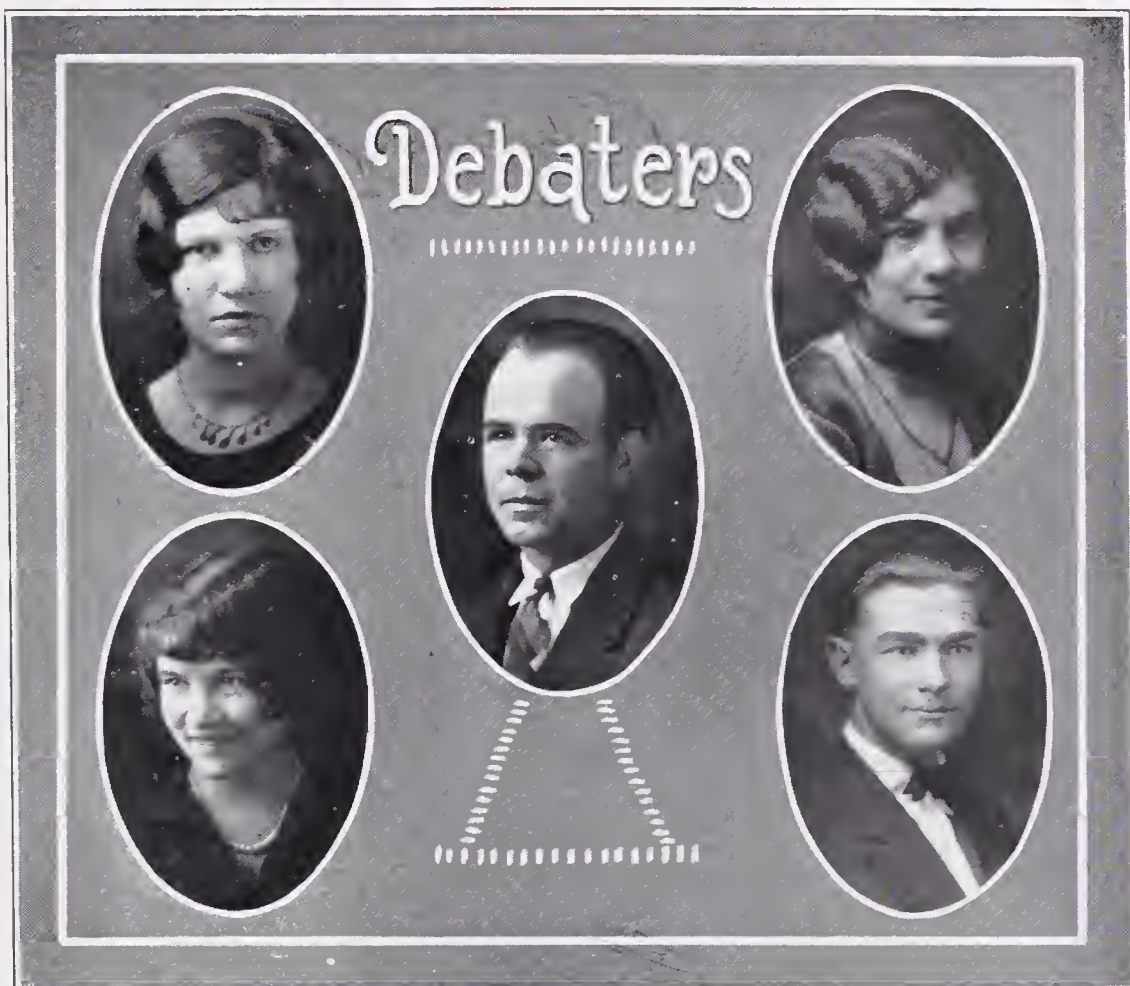

MISS GENEVA LANGLOIS  
Coach

We are proud of the high honors won by Madison this year in the Declamation Contest. Although she was the only two year high school competing Francis Pierson won first place in both Dramatic and Humorous selections, at St. Anthony, thus obtaining the privilege of representing Madison in the state contest at Twin Falls. There he won first place in humorous, but because his selection was a trifle over the allotted time he was disqualified.

Comment should be made of the noteworthy honors won in the contest at Madison by Maurine Romney, Melva Larsen, Afton Thueson and Barbara Parkinson.

FRANCIS PIERSON

Mr. Chairman, Honorable Judges, Worthy Opponents, Fellow Students:

The question is: "Resolved That Madison High School Has Been Very Successful In Debating This Year." I of the affirmative will prove this by the following points.

First: The debating squad was chosen early this year so that all debates were well prepared and rendered very effectively.

Second: Debating was made very efficient and interesting because of our noteworthy debaters, Francis with his thunderbolts of enthusiasm, Gladys with her head full of good common sense, Adalena with her enthusiastic and vigorous arguments, and Donetta with her convincing personality.

Third: Our victories were numerous in spite of the fact that we met only four year schools.

Fourth: On March 22nd our affirmative team defeated Ashton High School at Rexburg with the unanimous decision of the judges. Our negative team was defeated at Ashton on the same day, the decision being two to one.

Fifth: On March 28th our Affirmative team again received the unanimous decision at Rigby against the Rigby High School. The Negative team was also victorious at Rexburg with a two to one vote.

Sixth: We met St. Anthony High School in debate on April 5th. Both our Affirmative and Negative teams successfully defeated the opponents with a decision of two to one in each debate.

Seventh: The teams were under the capable guidance of Coach Drue Cooper, whose suggestions and criticisms helped make this year of 1927 stand out as a star year in debating.

Therefore, Honorable Judges, I think you need not have any trouble in unanimously rendering your decision in my favor. We are just a two year high school but we are not afraid to meet any four year school in the state. I thank you.

## Songs

Madison thus far has been without a song written by a student. This year prizes were offered for the best two songs, \$5.00 for first choice and \$2.50 for second. Many students were very enthused over it and the result was the production of several well written songs. These songs were sung by different groups in General Assembly and the students acted as judges. They voted for their first and second choice each. The first prize was won by the song entitled, "Boost for Madison High" by Miss Donetta Parker and second by "Our Madison", by Miss LuNone Clark.

### BOOST FOR MADISON HIGH

(Tune "Star of the King")

Madison High our Alma Mater we are here  
 Ready to sing your songs and for you ever cheer,  
 We're ever near you, proud to cheer you,  
 And your boat to help you steer,  
 For we're boosters of our Madison High.

#### CHORUS

We will sing for dear old Madison High  
 For the school we love so dear.  
 Let our praises reach the sky  
 Still they can't o'er praise our Madison High.  
 Oh! Let our cheers and chorus never die  
 For her future have no fear  
 For we're out again to win  
 Through the thick or through the thin,  
 While we boost for Madison High.  
 When in the future we review the days all past,  
 Our support to you will be still firm and fast.  
 You can depend upon our helping, for we'll stay until the  
 last,  
 For we're boosters of our Madison High.

### OUR MADISON

(Tune: "Unfurl Our Country's Flag")

Oh! Madison our hearts are thine,  
 And always will be true.  
 With every year that rolls around  
 We reap rewards from you.  
 Our colors red and white shall fly,  
 As they shall always do,  
 Sail on, oh, Madison, go proudly on.

#### CHORUS

Hail, Oh, Madison! dear old Madison,  
 Here our work we've done.  
 We love the dear old Madison High School.  
 Our teachers dear shall work and strive,  
 To put us to the test.  
 We're here with vigor, vim and pep,  
 To do our level best.  
 The work is clear and good times here,  
 We hike along with zest,  
 Sail on, oh Madison, go proudly on.

# Classes and Clubs

### SCHOOL ORCHESTRA

Our orchestra has played at banquets, programs and a few dances throughout the year. Orchestra concerts were staged at Parker and Plano. A Girls Glee of about ten numbers also took part. The Glee Classes under the capable supervision of Mr. Jacobs have also been a success. The Boys Glee has rendered several pleasing numbers this year for General Assemblies. The Girls Glee just recently presented a spring cantata "The Swallow", at the Madison High Auditorium.

## Dramatic Art

The Sophomore Oral Expression Class under the direction of Miss Langlois has been studying the production of plays and has presented some as programs before the public. Among these are: "Spreading the News", "Joint Owners in Spain" and "Every Student." The plays have been greatly enjoyed by every audience.

On December 23rd the class presented to the public the one-act Christmas drama, "Why the Chimes Rang." The beautiful Christmas spirit and atmosphere throughout the play was appreciated by the audience. The main players were Lawrence Brower, Harold Nadauld, Francis Pierson, Gladys Shirley, and Maurine Romney. The officers were: Donetta Parker, business manager; Gladys Shirley, stage manager; Mary Pocock, costume artist; Francis Pierson, electrician; Galen Winter, stage carpenter; Maurine Romney, property manager.

The class is now working on "To The Ladies" which will be given in May. This is a clever comedy in three acts.

The Freshmen have been studying the fundamentals of public speaking.

## Domestic Science

The Domestic Science department under the direction of Mrs. Effie Merrill has had a very successful year. They have visited the mill, meat market and bakery to further their learning of foods.

During the winter months they served hot lunches at the school for the children from out of town. They have also served the school board and their wives, the faculty and also the English club. The money taken in is used for the benefit of the department.

---

## Manual Training

During the past year the boys of the manual training department have made some creditable accomplishments. The success of the boys is due to the splendid coaching of Mr. Harold Green. Some of their noteworthy accomplishments are the placing of the seats in the auditorium, building up the school play ground equipment, and at present they are working on a book case for the Public Library. Besides this work for the public each boy has made at least one article for himself and some, three or four. Some of these articles are: tables, piano benches, picture frames, book cases, music stands, cedar chests and tabaret.

## English Club

Under the direction of Miss Geneva Langlois an English Club was inaugurated in the school. The Constitution has been formulated and passed on making it part of the school constitution. This constitution provides for: Students earning a grade of A or A- will become members of the club. They are automatically dropped if their mark is lowered. The members each month vote for the toastmaster and secretary of their next luncheon. During the luncheon the students have the opportunity of hearing from the best literary students of the town.

Four delightful luncheons have been held this year. The speakers at the different luncheons have been: Mr. Kerr, principal; Miss Morton, of Ricks College English Department; Mrs. Davis, a student of literature; and Mr. Liljenquist, superintendent.

The students belonging to the club the entire year were: Maxine Adams, Lucille Farnsworth, Hortense Cutler, Mary Hunt, Veda Tocherman, Donetta Parker, Ruth Stowell, Maurine Romney, Eugene Manwaring, Ruby Liljenquist, Laura Heaton, and Hazel Leatham.

---

## Girls' Athletic Association

Under the supervision of Miss Geneva Langlois, the Girls' Gymnasium class formed a club. Their officers, who were elected early last fall were: Vera Vincent—President; Ruby Liljenquist—Vice-President; Thelma Killian—Yell Master; Verla Jensen—News Reporter.

The girls of this club are striving to make themselves healthy and beautiful by developing correct posture.

A May Festival is planned to take place this spring. From the work that has already been done by the way of exercises and the Old English Maypole Dance, we look forward to it with great expectations.

## Dramatic Art Club

Another accomplishment at the school this year was the establishment of a Dramatic Art Club, under direction of Miss Langlois. The constitution of the club provides that: Those students winning a part in the annual school play shall become members of the club. This constitution also provides for all other activities of the club—during the time of rehearsing and after. This constitution has been passed on and is now a permanent part of the school.

Upon becoming a member of the club they are entitled to wear the club pin which bears its name Delta Alpha Gamma.

The members of the club this year are the members of the "Smilin' Through" cast with Miss Langlois their director.

---

## F. L. C. Club

The girls of Madison this winter formed a club. The name selected for the club was "Four Leaf Clover," standing for good luck and industry. The aim of the club is to bring about closer cooperation of the girls for the advancement of Madison High.

---

## M. H. Club

The M. H. Club was the name chosen by the boys of Madison to represent their club. Their officers are: Lawrence Brower, president; Richard McKey, defending attorney; Galen Winter, prosecuting attorney. By the rules placed on the bulletin board after their first meeting, they are expected to add life and pep to M. H. S. in the future
